Meeting lunches emphasise Finnish produce and healthiness

The conference lunch is delicious and nourishing while keeping attendees refreshed and focused during their meetings. The lunch includes fresh selections from a wide-ranging salad buffet. Dinner offers familiar taste experiences where only the best is good enough. Responsibility and Finnishness shine through in our menus. This will brighten your day! At Paasitorni, we want to offer food experiences that are memorable, mouth-watering and invigorating, but at the same time responsible, regardless of the time of day or season.
